

PREFACE

The 2010 - 2014 MoNE Strategic Plan (Renstra) is compiled based on Regulations (UU) no. 17 Year 2007 on National Long Term Development Plan Year 2005-2025, UU No. 20 Year 2003 on National education System, UU No.25 Year 2004 National Development Planning System, also Presidential Decree No. 5 Year 2010 on 2010-2014 National Mid Term Development Plan (RPJMN).

The 2010-2014 MoNE Renstra refers to RPJMN vision, which is prosperous, democratic, and fair Indonesia; Presidential guidelines to focus on change and continuity aspect, de-bottlenecking and enhancing education development program; also on 2005-2025 National Long Term Education Development Plan which has already broken down into four education development themes: improve capacity and modernization (2005-2009), strengthening services (2010-2015), strengthening regional competitiveness (2015-2020), and strengthening international competitiveness (2020-2025).

The 2010-2014 MoNE Renstra is compiled as education reference and development guidelines about to be accomplished in 2010-2014 considering the current education development achievement. MoNE Renstra when being compiled, has gone through various stages, including interaction with education stakeholders both in central and local areas, also participation from all MoNE officials.

The 2010-2014 MoNE Renstra is the basis and guidance for Echelon I, II and Technical Implementation Unit within MoNE, and as reference for Education SKPD in Provincial and District/City when compiling (1) Strategic Plan (Renstra); Work Plan (Renja); (3) Education Development Plan/Program of cross sectors; (4) Coordination of Development activity planning and controlling within National Education scope; (5) Annual report; (6) Performance Accountability Report of Government Institutions (LAKIP).

This Renstra need to be understood and utilised in all MoNE levels also by stakeholders when compiling education development program planning, implementation, and control in order to reach a synergy and become sustainable.
